HYDRANTS WILL BE FLUSHED IN OCTOBER AND NOVEMBER

The Public Works Department will be exercising valves on the fire hydrants throughout October and November. This means that you could find air in your water lines, lower water pressure during the time the hydrant is being worked on, or discolored water when any faucet is first used after the hydrant work has been done.

The flushing of the fire hydrants and exercising of the valves is a mandatory action required by law. Please keep this in mind if you experience any of the items listed above.

AMERICAN LEGION POST 503, 124 N Military Rd, Dane, will be holding a Meat Raffle on Sunday, October 8, 2023. Doors open at 1:30pm, the Raffle starts at 2:00 pm. Beverages will be available.

Do not forget to show your trees some love and water them this fall!

DELINQUENT WATER & SEWER BILLS

Past Due Balances on the Water and Sewer bills need to be paid in full before October 15, 2023 or you risk the balance being added to the property tax bill with a 10% penalty. Tenant balances get added to the landlord's taxes. *Now is the time to get your balance paid in full!*

HAPPY HALLOWEEN and HAPPY FALL EVERYONE!
