## HAVE YOU LICENSED YOUR DOG?

Time is running out! A \$20 late fee applies to Dog Tags purchased after March 31. A tag and a license are required for all dogs over 5 months of age that reside in the village. A copy of the rabies certificate is required at the time of application. Please be a responsible pet owner and license your dog(s) today.

## WINTER PARKING ENDS ON WEDNESDAY, MARCH 15, 2023

Thanks to everyone for obeying the winter parking rules and keeping the streets free of cars from 2 a.m. to 6 a.m. It really makes snowplowing and street cleanup so much easier when cars are not parked along the curb.

## ENROLL IN PAPERLESS UTILITY BILLING

As a Village of Dane utility customer, you have the option to receive your bill in a paperless format. This is a brand-new update for the Water Sewer Utility. The following steps will assist you in setting up your account.

Then log in with your new username and password

On the **Home Screen** Click on the **"Enroll in Paperless"** on the right side of the screen.

Once you have enrolled, you will no longer receive a paper statement in the mail. You will be notified by email that your monthly utility bill is ready to view, and you may choose to print it for yourself or file it electronically on your own computer.

The same website can be used to make electronic payments to your utility account, check your account balance, and update your contact information whenever needed. Other payments can be made to the village through this website also.
