Ordinance No 2011-01

Village of Dane Comprehensive Plan

Public Participation Plan

The Village of Dane seeks the involvement of residents, business owners, and other stakeholders in the creation of its first comprehensive plan. The intent of this Public Participation Plan is to define the methods by which interested stakeholders will be informed and involved in every stage of the planning process, including open discussion, communication programs, information services, and public meetings for which advance notice has been provided. The village is adopting this Public Participation Plan to satisfy the requirements of the state's Comprehensive Planning statute (Section 66.1001(4)(a), Stats.).

The Village of Dane elects to use the Plan Commission to work with MSA Professional Services, Inc. to develop the Comprehensive Plan. The Plan Commission will have the responsibility for developing the Comprehensive Plan and will recommend the plan for adoption. The Village Board shall have the authority to adopt the Comprehensive Plan.

Opportunities for public involvement in the planning process include:

- **Project Meetings:** It is anticipated the update process will include a minimum of eleven public meetings, all of which will be publicly noticed and open to public attendance. The project schedule is tentative; Plan Commission meetings will be held tentatively be held the third Thursday of each month, 6:30 pm at Village hall.

All Plan Commission meetings are open to the public unless otherwise indicated in the posted meeting notice. Public attendees are encouraged to voice their ideas, opinions, and concerns at each meeting, especially Meetings 2, 4, 5 and 10.

Draft Review and Adoption Procedures: The Village will use the following procedures to meet the requirements of state statute and to be sure that interested stakeholders are able to review the draft plan and communicate any comments or concerns to Plan Commission and/or Village Board before it is adopted.

- Any interested stakeholder may submit a written request to the Village Clerk to receive notice of the proposed Comprehensive Plan at least 30 days prior to public hearing and adoption. The Clerk will maintain a list of any such requests.
- The Plan Commission shall, by majority vote, adopt a resolution recommending that the Village Board pass an ordinance to adopt the Draft Comprehensive Plan. Prior to this vote the draft plan will be made available for review and the Plan Commission will host a public information meeting (Meeting 10):
 - The Public Information Meeting will include an open house for informal review of the draft amended plan and a presentation summarizing the plan. Residents will be encouraged to provide verbal or written comments before the Plan Commission recommends adoption of the plan. Verbal comments will be heard by Plan Commission, and written comments, which should be forwarded to the City Clerk at least 24 hours before the scheduled meeting, will be consolidated and presented to the Plan Commission prior to the vote on the resolution recommending adoption.
 - Printed copies will be made available at Village Hall and the Waunakee Public Library, and a digital PDF copy will be posted on the City website at least two weeks prior to the public information meeting and Plan Commission vote to recommend the plan. Public announcements about this meeting will be posted and published at least two weeks prior to the meeting and will note where drafts can be viewed.
- A Public Hearing shall be held before the Village Board considers adoption of the Draft Comprehensive Plan as recommended by Plan Commission, and the following actions will be completed no less than 30 days before the day of the public hearing:
 - A class 1 notice will be published, including the following: the date, time, and place of the hearing; a summary of the plan; a contact person at the Village who can provide additional information; and a information about how the plan draft can be accessed and inspected before the hearing
 - A copy of the class 1 notice and a copy of the proposed adoption ordinance shall be sent directly

to the following:

- Any known owners, operators, or leaseholders of nonmetallic mineral deposits (e.g. gravel pits) located within the Village's mapped extraterritorial planning area
- Any individual that has submitted a written request to receive notification of the proposed ordinance
- o Paper copies of the draft plan will be made available at Village Hall
- o Digital PDF copy of the draft plan will be made available on the Village web site.
- o Digital PDF copy of the draft plan will be provided, on CD, to the following to provide opportunity for written or verbal comment before adoption:
 - Clerks in the Towns of Dane and Vienna
 - Administrator of the Lodi School District
 - Planning Director for Dane County

Any written comments submitted prior to the public hearing will be read into the minutes during the Public Hearing, evaluated, and incorporated as necessary by the Village Board into the Adopted Comprehensive Plan.

- The Village Board shall, by a majority vote, enact an ordinance adopting the recommended plan. After adoption the approved, completed plan shall be distributed and shared with all stakeholders:
 - o Digital PDF copy of the adopted plan and adoption ordinance will be provided, on CD, to the following:
 - Clerks in the Towns of Dane and Vienna
 - Administrator of the Lodi School District
 - The Wisconsin Department of Administration
 - Planning Director for Dane County
 - o A hard copy of the plan will be provided to the Waunakee Public Library to provide ongoing public access to the adopted plan.
 - o A Digital PDF copy of the adopted plan will be made available on the Village web site to provide ongoing public access.

Other public participation activities may be added as deemed necessary by the Plan Commission with approval of the Village Board.

Vote: Yes 5 No 0 Abstain — Absent —

Focus Group Discussions

On March 31, 2011, The Village’s planning consultant facilitated two focus group discussions at Village Hall, one on the topic of Economic Development, and one on Parks and Recreation.

Approximately 15 people attended the 1-hour discussion on economic development, including both residents and representatives of most local employers. The second 1-hour session, focused on parks and recreation, included generally the same group of participants.

This is a summary of the concerns and ideas raised in those two discussions, however the comments here are in many cases not consensus viewpoints, and this is not a policy document. The goals, objectives, and policies in Chapter 2 of the Comprehensive Plan incorporate or address some of the ideas from these meetings, as recommended by Plan Commission.

Economic Development Focus Group

There is concern about a downward spiral of low investment and declining appearances, especially – would like to maintain activity, tax base, and aesthetic appearances.

Would like to clean up and put to use the Raemisch properties. The Village lost a lot of tax base when the dealership left.

The downtown lacks storefront spaces that businesses could easily move into.

Can we get involved in/take advantage of County-wide economic development? Maybe, but County-distributed site-selection leads generally aren’t a fit for Dane.

The Village doesn’t currently do much to actively support or communicate with existing businesses

Village advantages:

- Low crime
- A downtown Tax Incremental Financing District, adopted in 2008, that can support downtown revitalization
- Excellent school district
- Affordable land
- Agriculture is a growth industry

Village disadvantages

- Low profile/limited awareness of the Village outside the Village
- Local businesses need out-of-town customers to survive

Could have a farmer’s market in town, as long as it doesn’t conflict with those in Waunakee (Wednesdays) or Lodi (Fridays).

Could be like Paoli, could establish a quaint feel with specialty retail that people will travel from Madison to visit.

What is our identity as a Village?

A: Agriculture

The Village has plenty of home-based businesses right now.

Examples:

- Wood turning
- Longboard (skateboard) production and online sales
- Painting services
- Vegetable growing for farmers' markets
- Contract cooking

We could focus on being a good bedroom community. We have or could have:

- a restaurant
- a small grocery store/corner market
- an attractive downtown
- recreation opportunities
- sense of community – could enhance with more community events

Parks and Recreation Focus Group

What do people use for recreation not available in the Village parks?

- The railroad corridor, for snowmobiling
- Military Road, and country roads in general, for biking
- Lodi swimming pool
- Waunakee Community Building
- Lake Wisconsin
- Snowshoeing on Ice Age Trail
- Paved trail biking in other places
- Curling in Lodi

Lake Melvin Park

- The lake is occasionally used for canoeing, but the Village ordinances don't allow this due to liability concerns.
- The lake is used for fishing, including the spring fishery event sponsored by the Fire Department that attracts 200-300 kids. It's a good community event.

Bert Deans Park

- This has been the Village's most used park
- Men's and women's softball 2-3 times per week
- Little league 3-4 nights per week

- Family reunions, weddings, graduations, birthdays
- Has the Village's only basketball court

Capital Valley Park

- Playground installed in 2009
- Shelter and baseball field installed in 2010, used by Lodi Home Talent baseball league
- Concession stand is next on list
- The park needs signage – people don't know where it is

Meinrod Karls Park

- Shelter, playground equipment
- No running water

Vandalism concerns

- Drinking fountains seem to attract vandalism
- Bert Deans Park has the biggest problems with vandalism, due to its relative isolation

Park and Recreation Wish List:

- Tennis courts
- Small group activities
- Basketball in a visible location
- A bike path to another community, e.g. Waunakee and Lodi via the rail corridor, and maybe a loop around the village for families to use too
- Better biking conditions on rural roads in surrounding towns
- A winter cross country ski trail/summer bike trail
- Paths connecting the Village parks
- Trees in Capital Valley Park
- An indoor recreation facility
- A dog park

Community Survey

In the months of February and March 2011 the Village conducted a survey of residents. A hard copy of the survey was mailed to each household, and respondents were asked to either complete the paper copy and return it to the Village or use an online version with the same questions. Village staff entered all paper responses into the online version for purposes of data analysis. About 140 people completed the survey, which is a reasonably reliable sample in a community of about 1,000 residents, including 685 adults in 365 households. Based on that sample size, the margin of error is about 7%.

The complete results follow, including written responses and comments at the end of this section.

2	Hard to answer since I've only lived here for 4 months	Feb 28, 2011 7:14 AM
3	Police seem to have slowed the speed down	Mar 2, 2011 1:16 PM

2. How do you think that traffic volume has changed in the Village of Dane over the past five years? (Select One)

- | | | |
|---|---|---------------------|
| 4 | People tend to speed through Dane a lot and there is very little being done about it, there was a time that people didn't speed through as often because they knew they had a good chance of being caught | Mar 3, 2011 4:07 PM |
| 5 | Can see the flow through from other communities | Mar 4, 2011 8:56 PM |

3. Local roads in the Village of Dane are in adequate condition. (Select One)

- | | | |
|---|---|----------------------|
| 1 | frequently not plowed | Feb 17, 2011 5:40 PM |
| 2 | Winter snow removal could be better | Feb 17, 2011 5:53 PM |
| 3 | Repairs needed on N. Military for culvert | Feb 20, 2011 4:55 PM |

4. During the next ten years, which of the following transportation investments do you think would be best for the Village of Dane?

- | | | |
|---|--|----------------------|
| 1 | There are better places to be spending money. I think Dane has done a great job maintaining the roads and sidewalks. There could potentially be more sidewalks in more areas, but not at the expense of losing yard space or road width. | Feb 23, 2011 7:12 PM |
| 2 | put a bus stop hut for the kids | Feb 28, 2011 9:56 AM |
| 3 | Improve fitness areas such as walking paths, adult parks. | Mar 4, 2011 8:56 PM |

10	I have no idea what the policies and regulations are	Mar 8, 2011 12:47 PM

4. If these steps to protect and improve the natural environment had implications for local monitoring programs and regulations, would you support or oppose the following:

1	What does "stricter" mean? It is a pretty ambiguous term.	Feb 17, 2011 5:59 PM
2	what little of the people burn does not hurt our area	Feb 25, 2011 7:05 AM
3	Burning Silo Bags	Feb 28, 2011 8:31 AM
4	It would be nice to be able to get Lake Melvin cleaner, by mid summer it looks disgusting	Mar 3, 2011 4:15 PM
5	Outdoor wood burners	Mar 14, 2011 7:13 AM
6	Getting rid of pits	Mar 24, 2011 8:40 AM

5. Developers should be required to provide neighborhood parks or other recreational facilities as part of a subdivision approval? (Select One)

1	Not if the subdivision dwellers do not want it.	Feb 17, 2011 5:59 PM
2	We have enough parks	Feb 24, 2011 8:29 AM

6. Which of the following types of park and recreational facilities are currently needed to serve the Village of Dane residents? (Select boxes for level of priority)

1	Pedestrian trails would be really nice for dog walks.	Feb 28, 2011 6:50 AM
2	Would be nice to develop a bike trail into Lodi	Mar 4, 2011 10:58 AM
3	parks with trees	Mar 28, 2011 11:42 AM

7. During the next ten years, which of the following recreational facilities do you think the Village of Dane should invest in? (Select boxes for level of priority)

1	So many people do have dogs and there is no place to take them, dogs parks would be beneficial.	Feb 17, 2011 5:59 PM
2	I don't think we need more Baseball Diamonds, but improvements could be made to the one at Deans Parks.	Feb 23, 2011 7:22 PM
3	Community Pool	Feb 24, 2011 7:06 PM
4	the village board always makes the desicions no matter what or who speaks out	Feb 25, 2011 7:05 AM

7. During the next ten years, which of the following recreational facilities do you think the Village of Dane should invest in? (Select boxes for level of priority)

- | | | |
|---|--|-----------------------|
| 5 | A dog park in Dane would be really nice - I know we would support it, but how many people would use it? Especially because there is one right at the intersection on CR K/Q -- there are always a lot of dogs there. If there are no dogs in a dog park, it really defeats the purpose - when we take our dog there, we want him to go and socialize. It does seem like everyone around us on Luke Ln has a dog though! :) | Feb 28, 2011 6:50 AM |
| 6 | soccer fields | Feb 28, 2011 11:39 AM |
| 7 | soccer fields | Feb 28, 2011 11:55 AM |

8. If you believe that any of the resources above should be created or expanded, how should the improvements be paid for? (Select One)

- | | | |
|---|--|----------------------|
| 1 | Developer / Lot Fees for Parks like we have now. | Feb 17, 2011 2:55 PM |
| 2 | Taxes are high enough in Dane. I don't believe we should need to raise taxes for awhile. | Feb 23, 2011 7:22 PM |
| 3 | i dont support | Feb 25, 2011 7:05 AM |
| 4 | Create a community that will support local business which in turn will assist in funding community projects. | Mar 4, 2011 9:04 PM |
| 5 | Create a community that will support local business which in turn will assist in funding community projects. | Mar 4, 2011 9:44 PM |
| 6 | donations from local business. DO NOT INCREASE TAXES. WE PAY TOO MUCH FOR LIVING IN DANE! | Mar 5, 2011 6:58 PM |

9. The Village of Dane does not currently plant terrace trees (between the curb and sidewalk) to cut down on maintenance costs. The Village of Dane should continue this policy? (Select One)

- | | | |
|---|---|----------------------|
| 1 | Our terrace on main street is not wide enough to support this. | Mar 4, 2011 10:58 AM |
| 2 | if this policy continues-perhaps consider encouraging residents to plant trees & more importantly how to care for the trees they do have. Discourage the poor pruning practices that are commonly seen in town. | Mar 8, 2011 11:55 AM |

1. Please share your opinion about the types of new housing and housing improvements needed in the Village of Dane.

- | | | |
|---|--|----------------------|
| 1 | There are so many houses for sale that building should be on hold. The more houses that are for sale, the lower the value of all the house. (except for when it comes to property taxes of course) | Feb 23, 2011 7:26 PM |
|---|--|----------------------|

1. Please share your opinion about the types of new housing and housing improvements needed in the Village of Dane.

2	Havent really been here long enough to determine	Feb 28, 2011 6:50 AM
3	No new development until Snyder development is complete and home's are easily sold	Mar 4, 2011 11:00 AM
4	Dane should be catering to people with higher incomes, but in order to so we would need to enter the Waunakee School district	Mar 5, 2011 7:00 PM

1. Please rate the current amount of light industrial, retail and office development in the Village of Dane.

1	The only place to eat are at bars that look really run down and dirty.	Feb 17, 2011 6:04 PM
2	small grocery store	Feb 24, 2011 10:27 AM
3	Grocery	Feb 24, 2011 10:35 AM
4	Dane has anything you need in a pinch - plus, Waunakee and Lodi are a couple of seconds away for groceries.	Feb 28, 2011 6:54 AM
5	grocery	Feb 28, 2011 10:04 AM
6	drug store/phycians	Feb 28, 2011 10:20 AM
7	restaurant that is not a bar atmosphere (beer/wine okay)	Mar 8, 2011 12:01 PM
8	bars	Mar 28, 2011 12:24 PM

2. For each of the services or qualities listed below, tell us whether you think the Village of Dane is strong in that area, whether we need some improvement or whether we are weak in that area.

1	Havent been here long enough	Feb 28, 2011 6:54 AM
2	It would be nice to bring in some technical or office jobs	Mar 8, 2011 12:56 PM

3. Should a concentrated effort be undertaken to recruit new industrial/commercial business in the Village of Dane? (Select One)

1	If this were to happen an area for an industrial park should be identified and planned.	Feb 17, 2011 3:01 PM
2	sounds to me like we are looking to support the rich	Feb 25, 2011 7:11 AM

3. Should a concentrated effort be undertaken to recruit new industrial/commercial business in the Village of Dane? (Select One)

3	Commercial not industrial	Feb 28, 2011 9:52 AM
4	Only if it primarily supports working middle class.	Mar 4, 2011 9:48 PM
5	resturants are needed!	Mar 5, 2011 7:03 PM
6	Priveded you can find a home for them in a business park	Mar 8, 2011 12:56 PM

4. Do you support, or oppose the development of the following types of industrial establishments in the Village of Dane?

1	local restaurants	Feb 17, 2011 5:48 PM
2	We would move if "factory" farms came to the area, very opposed, they are unethical.	Feb 17, 2011 6:04 PM
3	I support most business' coming to Dane provided they are in a business park and maintain a respectable business. Raemish Implement was a dump and disrespectful of the community.	Mar 8, 2011 12:56 PM

5. Do you support, or oppose the development of the following retail establishments in the Village of Dane?

1	Another gas station would be nice	Feb 17, 2011 6:04 PM
2	Retail will be a hard sell in this little community - it would be hard to have enough business to sustain the business	Feb 20, 2011 9:08 AM
3	It's hard to image us currently having enough of a population to support any of these, but I wouldn't oppose to them.	Feb 23, 2011 7:30 PM
4	Walgreens or equivalent	Feb 28, 2011 10:20 AM
5	We'd need the customer base first and foremost and I don't feel that it will be there, maybe in 20 year but I really don't believe it'll be there in 10	Mar 3, 2011 4:22 PM
6	We need to support what we think has a chance of staying open	Mar 4, 2011 11:05 AM
7	We need a bakery	Mar 28, 2011 11:53 AM

1. From your experience, please rate the following services:

1	need a public library,	Feb 20, 2011 5:09 PM
2	No fluoride in municipal water	Mar 6, 2011 12:46 PM

1. From your experience, please rate the following services:

3	snow removal from sidewalks	Mar 28, 2011 11:44 AM
---	-----------------------------	-----------------------

2. If steps to improve any of the following services required increase in your taxes or fees, would you support or oppose increases for the following?

1	library and school system supplemented by either Lodi or Waunakee sufficiently	Feb 20, 2011 9:10 AM
2	I think most of these things are good the way they are, and tax increases to make changes would be unnecessary.	Feb 23, 2011 7:34 PM

1. From 2010 to 2030, the Village of Dane population is projected to increase 30 percent from 960 to 1248. At what rate would you like to see the growth occur? (Select One)

1	1.5% a year sounds reasonable	Feb 23, 2011 9:29 AM
2	I'm hopeful that it can increase quicker than that.	Feb 23, 2011 7:40 PM
3	i think we have gone from a small home town to puppets for the towns around our area, we use to be independent, that seems to be trown to the side for some purpose, maybe not enough people left in our area willing to step up and support there own town, they say lets take it to another and support them.	Feb 25, 2011 7:20 AM
4	faster growth to support services/businesses/improvements desired for Dane	Mar 28, 2011 12:26 PM

2. How would you direct the Village of Dane civic leaders and planners with regard to land use policies and regulations? (Select One)

1	I'm unhappy with what felt like a surprising / ramroded installment of the fenced, locked baseball diamond in the park in the Capital Valley Estates subdivision. I am flat out terrified that we're going to wake up one morning and find that someone has decided to install lights at that field. I am HEAVILY against that!	Feb 17, 2011 4:12 PM
2	Again, what does "restrictive" mean? Compared to what?	Feb 17, 2011 6:08 PM
3	Not familiar with current policies	Feb 22, 2011 7:52 PM
4	I honestly don't know	Feb 23, 2011 9:29 AM
5	Raemiches looks horrible, and I don't understand how it can be ignored.	Feb 23, 2011 7:40 PM
6	Buildings should be finished with in certain amt of time	Feb 24, 2011 10:38 AM
7	stay with the state governance for now	Feb 25, 2011 7:20 AM
8	I don't know what the current land use policies and regulations are	Feb 28, 2011 7:30 AM

2. How would you direct the Village of Dane civic leaders and planners with regard to land use policies and regulations? (Select One)

9	not sure what the current policy is	Mar 4, 2011 5:25 PM
10	Get the opinion of the public before turning greenspace into a full size baseball field in many residents backyards!	Mar 6, 2011 12:51 PM
11	I'm unfamiliar with our land use policies/regulations-we do need to ensure protection and enhancements	Mar 8, 2011 12:09 PM
12	Hard to say since I don't know what the current policies are	Mar 8, 2011 1:04 PM

3. Current land use regulations have done an effective job minimizing land use conflicts in the Village of Dane? (Select One)

1	I don't believe that a community park area should have been allowed to be hijacked to become a Lodi High School field or a Lodi Home Talent with the dimensions of Miller Park field where someday alcohol is going to be sold. Zoning regulations should have prevented this kind of organized crowd draw due to limited parking in a quiet neighborhood, let alone the extremely close proximity of the field to local residents homes. All that area could have been used for tennis courts, basketball courts, a Vita Course, etc. - facilities that the local taxpaying residents could use regularly. We have no use for a full size, locked Lodi baseball field! Grrr, I haven't thought about it since winter, but now that you asked me the question, it really makes my blood boil all over again!!	Feb 17, 2011 4:12 PM
2	Haven't had a land conflict with the village or anyone else. I would want to take a look at regulations.	Feb 20, 2011 5:14 PM
3	I don't know what the current land use policies and regulations are	Feb 28, 2011 7:30 AM
4	house behind the pup	Feb 28, 2011 8:37 AM

4. Land that has soils that are highly productive for crop production should be preserved for agriculture use? (Select One)

1	Expansion will eventually be needed, and the very fertile land around Dane will eventually be needed. It does however seem that there is plenty of land available within the city limits.	Feb 23, 2011 7:40 PM
2	Should be used for natural habitat	Mar 4, 2011 9:22 PM
3	depends on what the land is being used for	Mar 28, 2011 12:26 PM

1	Please keep us clearly posted on future plans for the "park" in Capital Valley Estates. Look toward more family useful additions there like basketball, tennis, etc. And definitely no baseball field lights!	Feb 17, 2011 4:14 PM
2	I like the small town feel of Dane. If it would grow too large, or attract large businesses, I would leave.	Feb 17, 2011 5:17 PM
3	the village of dane is too focused on expanding and becoming a "better" community as the core is left behind. we should focus on updating and finding usefull businesses that will fill the empty slots in the village. the majority of the village is not utilized to its potential. new busnisses should be encouraged welcomed and supported as the village grows. these new businesses would also bring needed income to the village as we expand update and maintain the village we call home.	Feb 17, 2011 5:57 PM
4	Our family is in support of growth for the community in having more jobs and business. However, we do not want Dane to turn into a small city nor loose its farming community sense. We work in Madison and live here to be away from the city and live in the country, if it changes we would consider moving to a more "country" type community.	Feb 17, 2011 6:10 PM
5	I would like to see a business park established on the east side of the village. I feel this was a real opportunity lost with the recent development on that side of the village, but it's not too late!	Feb 19, 2011 11:11 AM
6	Concerning air quality, it is very concerning to me that our area farms are allowed to corp dust their fields – dumping toxic chemicals on the land but also into the air. This practice has made me physically ill because of it.	Feb 19, 2011 6:41 PM
7	Dane would be well served to limit further housing development until the east side neighborhoods sell more. Light industrial employment may be beneficial. I do not see much if any retail businesses succeeding in Dane as people go to Lodi, Waunakee and Madison. Protect our small town environment and improve what we already have.	Feb 20, 2011 9:13 AM
8	I would like to see Dane become its own unit which is not fully dependent on the village of Lodi.	Feb 20, 2011 5:16 PM

9	The Village of Dane is a pretty good small community considering that you only need a place to live and not much else. We have sewer, water, and underground utilities. We have large lots on the east side of Dane which I like. We could use a place to take sticks and branches and other trash that can't be put in the trash containers. We could use snow plow drivers that don't brake off our mailbox posts and dig up the sod on our lawns when they move the snow back from the curb line. We certainly could use a campaign to straighten up street signs and posts that are leaning at an angle and are hard to mow around and look like hell. The downtown does not have a very nice look compared to other small villages. Electric, phone, and cable should be underground and new lighting and sidewalks should be built. If that could happen you might get some new retail or office space. Thanks for listening.	Feb 21, 2011 8:53 AM
10	The Downtown Redevelopment Plan should be required reading for anyone attending the March 3rd meeting.	Feb 23, 2011 9:46 AM
11	Dane is an amazing location. So close to the west side of Madison, and so close to the east side of Madison. Dane needs "curb appeal." I don't mean all the houses. I mean when people drive through Dane they have about 1 minute to form an opinion when they come in through 113, and there is a lot of stuff that looks horrible on that street. You have to get off that road and work your way to all the other streets to see the good stuff. But the "curb appeal" for the town is horrible, so nobody can get passed that.	Feb 23, 2011 7:43 PM
12	We have nice little parks and playground equipment. I live on Main St - the traffic is so fast I feel we should be able to have our mail box in front of our house - it's dangerous to have to cross the stree to get our mail.	Feb 24, 2011 8:33 AM
13	Burning barrels and the fertilizer plant make the village air quality poor. Dane is too small to support some types of retail establishments.	Feb 24, 2011 8:48 AM
14	There seems to be more vandalism and kids not having a place to go. (rec center perhaps) I don't want sidewalks in front of our house. Police protection is poor, when one is actually on duty.	Feb 24, 2011 10:39 AM
15	I think the village wastes too much money on snow removal.	Feb 24, 2011 11:39 AM
16	I think the village should take over the current fire station for thier public works building and have the fire district build a new fire sation This would be a 70% savings for village residents and would keep all village dept. under one roof.	Feb 25, 2011 6:15 AM
17	hopefully we can bring back the families that grew up around her to support our town that is dwindling away to the village of waunakee and the town of lodi, seems we cater to them and dont stand on our own oppinions anymore, we should have pride in our town and support it.	Feb 25, 2011 7:22 AM
18	I would like to see trees across the street from my house.	Feb 28, 2011 8:26 AM
19	The taxes are already high in comparision to other towns in Dane County. My taxes are up 67% in the last 4 years.	Feb 28, 2011 8:37 AM

20	Most homes on main street have done a great job of maintaining there homes. Need to keep a focus on making main street be attractive. Really need to clean up the old implement business as it doesn't entice anyone to want to stop and visit any other establishment in town.	Mar 4, 2011 11:15 AM
21	Spend money wisely today and taxes do not need to be increased. Live within th ebudget like we do. HWY113 through town appears terrible. Clean up Raemisch sites. There seems to be overkill on snow removal. Stop taking extreme measures to clear snow. Why is the Village of Dane the only city/village in Dane County that does not contain flouride in the water? For the amount our water bills have gone up, the water should contain flouride. Area near the pup tavern is an eye sore.	Mar 4, 2011 1:25 PM
22	Police department doesn't do anything	Mar 4, 2011 1:53 PM
23	Love the community let's make it better.	Mar 4, 2011 9:55 PM
24	I believe many more quality families would move to Dane if we were in the Waunakee School District. It makes no sense that we are in DANE COUNTY and are located much closer to Waunakee but yet are in the Lodi school district. Residents should be given the choice to which school district they would like to be a part of and have bussing provided from the school district. Please take this into SERIOUS consideration, as I know I am not the only resident who feels this way. Dane should also encourage more high-end home building in order to attract more well to do families. Main street in Dane looks very "rough" and driving through you can tell MANY low income people live in Dane who do not have pride in their property. In news letters residents should not be continually threated with citations for various things and not be told to "keep a close eye on your neighbor and report them if they do something wrong", all that does is create an environment of mis-trust. Enforce the rule of not allowing campers to be allowed to be parked at residences, we are told this in the news letters, however numerous properties have large campers parked all year. Provide more resturants, i.e. Milios, Subway, Quizno's etc. Charging hunderds of dollars for brush removal is absolutley is ridiculous-how do you come up with this hourly rate? Chopping up brush does not require an advanced degree, the people collecting the brush should not be paid more than doctors. Add a cell phone tower that caters to all plans i.e. Sprint (which is a very large network). I have NO cell service in dane! Encourage residents not to park on their lawn, it really makes the neighborhood look run down.	Mar 5, 2011 7:27 PM
25	Thank you for asking	Mar 14, 2011 7:10 AM
26	We don't need any more playground equipment, everyone has their own. Allow people to have fences, and we don't need dog parks. Why expand housing? There are no amenities, banks, groceries, etc and gas is high and higher.	Mar 14, 2011 8:00 AM
27	You should either have sidewalks or not, not a mix.	Mar 14, 2011 8:13 AM

29	Grocery store would be nice. Resturant that is not a bar. The village should not create any more TIFFS. The village spends too much time moving snow. Aren't there more important things to do. I miss our community parking lot during the winter. Find a new place to play with the snow or quit wasting time moving the snow. Let land owners us it as they see fit.	Mar 23, 2011 12:05 PM
30	We can't open windows at night due to the fire smell with all the fire pits and pig smell - what a shame. Kids loud stereos and people drinking around the pits being loud makes noise control poor. It would be so nice to be able to leave windows open at night for fresh air and not to listen to loud talking and swearing and need to have the air on when its hot because you can't open the windows because of the pits. I thought dogs were to be tied up. Im sick of them always running on my lawn and shiting. Wish dogs couldn't be in town.	Mar 24, 2011 8:45 AM
31	I do believe Dane should bring more manufacturing and shops business to create jobs, but do not need to expand as quickly as Waunakee and other surrounding communities have with the housing boom. Poeple who live here should try to work here when possible. If you live here you should shop here. Don't go to Menards, shop at local hardware store. Grocery store would be nice if it is reasonably priced, but it will be broke if too expensive.	Mar 24, 2011 9:07 AM
