

NEWS & NOTES

From the Village of Dane

JANUARY 2019

Keep Your Sidewalk Clean This Winter!!

The Village of Dane Ordinance is very clear on responsibilities regarding clearing snow and ice covered sidewalks. Chapter 457-10 is printed on the back of this newsletter. Please read it and be informed! The Village of Dane has many residents who walk year round on a regular basis; all sidewalks need to be kept clear for everyone's safety. And tickets will be issued if sidewalks are not cleared promptly!

Evergreen Tree Pick Up

This month, trees will be picked up as needed throughout the village. Please do not let your tree get buried in a snowbank on the curb. Public Works will do their best to collect the trees once they appear on the curb. However, if a snowstorm is predicted, it is best to wait until the snow is cleared before you place

your tree out for pickup.

Village of Dane Change in Municipal Court

Our municipal court will change from the Eastern Columbia County Joint Municipal Court to the North East Community Court on May 1, 2019. There are several steps in the process to make this change and the Village Board is working through those items. The new court will be held at the Town of Westport. More information will be published in future newsletters.

Winter Parking Rules Have Changed

A new ordinance was adopted in December, and became effective immediately; you may park on village streets during the winter unless the National Weather Service predicts a snow event of 1 inch or more. Once that

prediction occurs, then it is unlawful to park on any public street or alley between the hours of 2:00 am and 6:00 am. The restriction shall remain in place for 48 hours following the conclusion of the snow event.

Tax Receipts are always available from the Village Clerk for the current tax year. Please stop by to request a receipt, if you need one.
