

NEWS & NOTES

From the Village of Dane

FEBRUARY 2019

SIDEWALKS TO BE CLEAR AT ALL TIMES

It is imperative that property owners stay on top of clearing ice and snow from sidewalks surrounding their property! Even if the snow was cleared previously; melting snow can cause ice to form on sidewalks. A slip or

fall due to an icy sidewalk is never a pleasant experience! Be reminded that village residents who walk, the Village Public Works employees, and delivery people may use the sidewalk by your property on a regular basis. The condition of the sidewalk is your responsibility. Please use sand, ice melt products, or salt to remove ice if it forms on your sidewalk. Thank you!

INTERESTED IN BEING A VILLAGE TRUSTEE?

Caucus was held in January for the April Election for two (2) village trustees. Only one person has completed all the steps needed to be placed on the April ballot for these positions. If you are interested in being placed on the ballot to run as a trustee, you will need to register as a write in candidate. Please contact the Village Clerk for more information.
