Experiencing Music, Singing & Dancing

This is a **PARENT PARTICIPATION PROGRAM** designed for preschoolers and younger children but ALL children are welcomed. This class offers lots of fun with sing-a-long songs (some in Spanish), motion and dance, rhythm and rhymes and small instruments. Your child will build self-esteem and learn to be confident in themselves all while having tons of fun. We will be having a program at the end of the semester to share with family and friends all that we have learned. Help your child tap into their creative side through music, make some new friends and share their love of music because MUSIC IS A UNIVERSAL LANGUAGE!
