## NOVEMBER 2019

### Winter Parking Begins November 15

According to Village Ordinances Winter Parking begins on November 15 and ends on March 15 of the following year. **A new revised rule is “No Parking on any village street from 2 am to 6 am”.** This allows

the Public Works Department time to properly remove snow and to salt/sand the village streets. The fine is \$25 if your vehicle is left on the street during the no parking hours.

### Direct Payment Available for Water/Sewer Bills

Payment of your water bill can be made by Direct Withdrawal. There is no fee to have this service. The form can be found online or picked up in the village clerk’s office. You need to complete the authorization form, sign it, and include a VOID check. The payments are pulled from your checking/savings account each month on the due date. If you are interested or have questions, contact the Village Clerk’s office.
