VILLAGE HALL CLOSED

The Village Hall continues to be closed to any rentals or group activities. If this changes we will put out a notification on the website.

FERAL CATS AND OTHER CRITTERS

Be aware that we do live in a rural community and that means we do have feral cats and other wildlife that may visit your property. Please do not feed these animals or they will continue to visit you on a regular basis. If you have an issue with these critters, you can contact the Dane County Public Health Animal Services Office at 608-267-1989 for advice.

July means vacation, long days of sunshine or rain, lazy days at the pool, making memoires- what summer is all about!
