

News and Notes from the Village of Dane

April 2018

Public Works Director Retires

David Koenig has retired effective March 30, 2018 as the Director of Public Works. After 41 plus years of working for the Village of Dane, Dave saw many changes and improvements in the Village. In Dave's first year on the job, the main street through the village including a storm sewer project was completed. The

village grew with new streets and housing projects. In 1987, the current water tower was built and in 1998 the village began service with the Madison Metro Sewer District. A new Public Works Garage was built in 2013 and then Well 3 was built.

The Village Board of Trustees wish to extend a sincere Thank You to Dave for his service to the village as he retires and moves on to new adventures. If you see Dave, please wish him well on his retirement!

Shane Clapper was named Public Works Director effective April 1, 2018. Shane began work in the village of Dane on December 1, 2014. Shane will continue to keep the village in top notch shape along with the newest Public Works employee, Chad Bevars. Chad began with the village in late January 2018. You can call the PW Garage phone #608-849-5425 and leave a message for Shane or Chad or you can contact the Clerk's office to get a message to the Public Works Department.

Burning - Chapter § 294-8 Ordinance governs the village burning laws.

Burning restrictions: A. General regulations

- (1) There shall be no open or outdoor burning in the Village of Dane except in compliance with this subsection.
- (2) Leaves, grasses and garden waste may be burned on private property from **April 1 through May 15** and from October 1 through November 15, provided that there shall be **no such burning on Sundays** and that there shall be **no such burning from 6:00 a.m. to 6:00 p.m. on any day**. All such burning shall be done in a legal and safe manner, and no such fires shall be left unattended.
- (3) Open fires are allowed for cooking, ceremonies or recreation. No such fires shall be left unattended. The only items burned in said fires shall be charcoal or wood.
- (4) There shall be no container or burn barrel burning.
- (5) There shall be no burning of trash or garbage.
- (6) The Dane Fire Department is authorized to conduct outdoor burning for training purposes at any time, provided that prior approval of the Village Board is obtained and public notice of such burning is published in the Lodi Enterprise at least five days prior to said burning and provided that said burning is done in a legal and safe manner.
- (7) Chief may prohibit. The Fire Chief is permitted to prohibit any or all bonfires and outdoor fires when atmospheric conditions or local circumstances make such fires hazardous.
- (8) DNR burning restrictions. When the Wisconsin DNR implements burning restrictions in designated areas which include the Village of Dane, the Village of Dane hereby institutes the same burning restrictions.
