

# NEWS & NOTES

From the Village of Dane

## OCTOBER 2018

### TRICK OR TREAT SO OTHERS CAN EAT

The Dane Dandy Doers 4-H Club will be collecting personal care items, canned goods, and non-perishable food items on **Saturday, October 27, 2018**. Pick up begins at 8:30 am and bags need to be placed by your front door. Items can also be dropped off at the Dane BP. All donations go to the Lodi Food Pantry.

### FIRE HYDRANT FLUSHING IN OCTOBER

All fire hydrants in the village will be flushed during the month of October. This process is part of fire hydrant maintenance. Some discoloration or air in the water lines can happen after hydrants are flushed. This is normal; please allow the water to run for a short period of time to alleviate either issue. Thank you.

### LEAVES, GRASS OR SNOW

The Village Ordinances strictly prohibits anyone from blowing or placing leaves, grass, or snow in the road or along the curb. Be considerate

of your neighbor and take care of the leaves that blow off your trees, even when they blow into your neighbor's yard.

### BRANCH & LIMB COLLECTION

Branch and tree limbs will be collected on the 2<sup>nd</sup> Tuesday of each month. The upcoming collection dates are: October 9, November 13, and December 11, if needed. Please place your limbs and branches on the curb with cut ends toward the curb, in neat piles, and close to the day of pickup.

### SPEED LIMIT CHANGE

Please be aware that the speed limit on Snyder Drive has been reduced by Ordinance of the Village from 35 miles per hour to 25 miles per hour. Signs have been posted. All village streets are posted at 25 miles per hour, the exception is Main Street.

### BOARD MEETING DAY AND TIME CHANGE

Village Board Meetings are now held on the first Monday night of the month at 7:00 pm. Holidays and Elections may change the date. Agendas, Minutes and Packets are posted a minimum of 24 hours prior to

the meeting at Village Hall and on the Village of Dane website: [www.villageofdane.org](http://www.villageofdane.org)

### TRICK OR TREAT HOURS FOR HALLOWEEN

Trick or Treat hours are 5:00 pm until 8:00 pm on Halloween Night, October 31. Be safe and have fun!

### FIRE STATION OPEN HOUSE ON OCT 31

When you are out trick or treating on Halloween be sure to stop at the Dane Fire Station. There will be food, drinks, and treats! Enjoy a visit with a fire "man" or fire "lady", see the equipment, and enjoy the evening!

### NEW BUILDING INSPECTION SERVICES

The village has contracted with General Engineering for Building Inspection Services. The company, the building inspector, and the fees have all changed; however, the process has not. Always check as to whether you need a permit before you start your project! Fines are added to the cost of the permit when you start your project without getting a required permit first. Applications can be picked up and dropped off in the Clerk's office. Contact information can be found on the village website. You are encouraged to call and ask questions whenever needed.

**CLERK ON VACATION**

The Village Clerk will be on vacation from Monday, October 15 through Friday, October 19. Regular office hours will not be available during that week. A notice will be posted on the door with anticipated office hours.

**ELECTION DAY**  
**Tuesday, November 6, 2018**  
**Polls open at 7 am and**  
**Close at 8 pm**

**ABSENTEE VOTING BEGINS OCTOBER 22**

Walk-in Absentee Voting will begin on Monday, October 22 in the Village Clerk’s Office. Please bring your voter ID when you come to Absentee Vote.

**FROM THE DANE COUNTY SHERIFF OFFICE**

*There continues to be a rash of burglaries and vehicle thefts in Dane County. The Sheriff’s Office would like to remind everyone to lock your cars, and homes, keep values out of sight or better yet do not leave items of value in your car.*

**HAPPY OCTOBER EVERYONE! STAY SAFE!**

**WATER PROJECT IN THE WORKS**

In the village, LMS Construction has begun work on a project to loop a water main. On Wednesday, October 3 there was an unexpected problem and some homes did not have water for a period of time. This outage was not planned and there are no other planned outages.

However; it can happen without notice. The Public Works Department will do what they can to get the water back on as soon as possible. We apologize for the inconvenience on October 3 and hope that if the need to turn off the water should happen again, it will be for a brief period of time only.

A portion of this project will be completed this month and the remaining work on High Street and Third Street will continue in the spring of 2019, as the weather permits. Village Staff will do their best to keep residents who are affected by this project, up-to-date on water changes and road work details. Thank you for your patience while the infrastructure of the village is updated.
